Restoration of [illegible] tanks in [illegible] Taluk

FROM

[illegible]

No. C 457/ 3-26 Dated [illegible] Received [illegible]

iary No. 521	Enclos.	Spare copies	Serial No. 0

BRIEF ABSTRACT OF LETTER

Requests sanction to the [illegible] of Rs. 4,227 [illegible] Kankanhalli [illegible] Taluk [illegible]

NOTES AND ORDERS.

1) The Bandihalli village in Kunigal Taluk belongs to the Sarvadar Dasa charities under the management of the Government in the Inam Department. Since the whole of the Revenue of this village will be utilised for charitable purposes, early restoration of the two tanks viz. Doddakere and Chikkakere in this village is ordered to be necessary for

safe-guarding the reference under the tanks, The Executive Engineer Tirupur Division, has prepared two estimates, one for Rs 3400/- and the other for Rs 4,950/- for restoration of these two tanks. The Chief Engineer who has scrutinised them, states that establishment, tools and plant charges chargeable at 10 1/2 % under the rules (and which comes up to Rs 877) will have to be included in the estimates. The total value of the two estimates including these charges will be Rs 9,227, to be met from the Damodaradas charities in the first instance, as proposed by the Tirupur commissioner. The Lyals have agreed to contribute their 1/4 share in five annual instalments with interest at 5% per annum.

Estimate for. Tool charges.
(i) 3400 = Rs 357-00
(ii) 4950 = " 519-12-0
Total Rs 876-12-0

A draft G.O. sanctioning the two estimates (for Rs 9227) is submitted for approval in other words

BS
14.12.86 This is a case relating to grant of loans, in connection with the Rev. Rs is necessary -

The extract from Samavaya Samathuvam dated 4 pc is stated to be used for granting Sch. Castes loans for agricultural purposes. Special subjects. As the sum is proposed to be met from the Fund of

Furnishes the information called for

The statement of Income and Expenditure furnished by the Comptroller furnishes information about the financial position of the Charities. The closing balance of the Charities as it stood on 30.11.1936 was Rs 75, 439-12-3. The amount of expenditure on account of the two estimates is Rs 9227 (nine thousand two hundred and twenty seven) only, which can be met from the said closing balance.

Revised draft G.O is submitted for orders with reference to para 15 ante

FROM

K. V. ANANTARAMAN, ESQ., B.A.,

Muzrai Commissioner in Mysore

To

I. Venkatesa Aiyar, B.A., I.C.S.,

Secretary to the Government of His Highness the Maharaja of Mysore,

..... Department.

GENERAL SECRETARY. 28 NOV. 1936

SIR,

Restoration of the [illegible] Tank at Kalkere and Chikkakere, Kunigal Taluk, belonging to Damodar Doss Charities.

I have the honor to forward herewith for sanction of Government, the marginally noted two estimates aggregating ₹ 8,350 and received with letter No.3203 dated 6-10-1936 from the Chief Engineer of Mysore.

(1)	Restoration of Doddakere, Bandihalli ..	..	₹ 3,400
(2)	Do. Chikkakere ..	..	" 4,950
			8,350

2. The atchakatdars under the two tanks have executed patchalikas to pay one-fourth cost of restoration in five annual instalments with interest at 5%. The amount of the two estimates, viz., ₹ 8,327 including the usual establishment, tools and plant charges at 10% will, in the 1st instance, be met from the funds of the Damodar Doss Charities and the ryots' share collected as agreed to by them.

3. The connected file with a copy of the Chief Engineer's letter is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

K. V. Anantaraman

Muzrai Commissioner.

Restoring Sarvamanya Bandihalli Doddakere and Bandihalli Chikkere, Kunigal Taluk, belonging to Damodar Doss Charities.

In continuation of this office No.1209 dated the 6th August 1936, regarding the above subject, I have the honor to return herewith, after scrutiny, the estimates for the above works.

2. The estimate for Bandihalli Doddakere amounts to Rs. 3,400 and that for Chikkere amounts to Rs. 4,950.

3. The estimates do not include establishment and tools and plant charges at 10½ per cent. leviable under the rules. These charges have also to be included in the estimates before they are sanctioned.

"COPY"

M. N. Anandaram.

For Muzrai Commissioner.

Report to accompany the project for Restoring Sarvamanya Bandihalli Doddakere, Registered No.115 of Kunigal Taluk.

This is one of the six unrestored tanks belonging to Sarvamanya Bandihalli Village belonging to Damodar Dass Charities under the management of the Muzarai Department, Mysore Government.

The following is a list of tanks in the village of Sarvamanya Bandihalli.

	Ayakat	Capacity
1. Dodd kere, Reg.No.115	143 acres 36 guntas	36 units
2. Chickere Reg.No.114	26 0	19
3. Nosahallikere, Reg. No.116)		
4. Hastagirikatte)	41 0	0
5. Adigarakatte	1 0	
6. Hemaganahalli tank	2 0	1

The tank has got an atchakat of 143 acres and 36 guntas (wet 64 acres and 4 guntas and garden 53 acres and 32 guntas) and yield a revenue of Rs 588-8-0. The tank is situated at Longitude 77-4'-0 and Latitude 12-47"-0" and 1½ miles to the right of 3/41 of Tumkur Maddur road vide Topo sheet No.57 H/1. It has got a catchment of 2.00 sq., miles and has no tanks above. The catchment can bring a yield of 56 units but the capacity at its weir level 52.00 is 97 units which is considered enough to irrigate its ~~xxxxxxxxx~~ atchkat satisfactorily. The tank is proposed to be restored to its present weir level 52.00.

BUND: The bund is 20 grooss long and is neglected from a long time. It is proposed to restore the same to F.L.59.00 with a top width of 10 feet since a Village Panchayet road passes over the bund. The revetment is in good order but requires resetting in a few places for which provision has been made in the estimate.

SLUICE: The tank has got only one sluice No.2 at F.L.48.5 which requires some repairs for which provision has been made in the estimate. The other sluice in the weir i.e., No.1 Sluice is intended to let out water to Chickere.

WASTE WEIR:- The tank has got a natural weir of 20' length at F.L.52.00 at the left end. It is stated by the ryots that the weir of this tank has not discharged at any time for the past

past several years. A weir of 120 feet long with a spill 2 feet as per detailed calculations furnished in the Survey Constructive detail statement has been provided in the estima A masonry body wall and apron and a causeway with wheel track have been provided.

The atchakat below the tank is 143 acres and 36 guntas and yields a Revenue of Rs 588-8-0. This sarvamanya village has an income of Rs 8608/- per annuam as per figures furnished by the Shanbhogue and there is a surplus of Rs 20500/- at the credit of this Institution. The ryots have executed a mutchalika to pay 1/4th of the estimated cost as contribution and the balance will have to be met by the funds at the credit of the Institution.

Since the whole of the Revenue of this village will be utilised for charitable ~~xxx~~ purposes such as granting Scholarships for advanced education in special subjects etc., early restoration of the two tanks viz., Sarvamanya Bandihalli Doddakere and Chickere is necessary for safe-guarding the revenue under the tank. The other tanks are very small and may be taken up after these two are restored completely. project for the restoration of Bandihalli Chickere is separately prepared and submitted for early sanction.
